## Upcoming Events

Friday, May 13	Popcorn Day/Spirit Day-SuperHeroes
Tuesday, June 7	Field Day in the afternoon
Friday, June 10	Last Day of School, 1:00 Dismissal

## Our Learning

- In Handwriting, we learned how to form lowercase y, j, and p.
- In Math, we are learning how to solve addition story problems using objects and our fingers.
- In Science, we practiced identifying each of the four seasons, putting pictures of the four seasons in order, and sorting objects based on its appropriate season.
- We have been learning how to read short booklets. Each week, the kids get a new booklet. First, we practice reading the words on chart paper, and then we color and read those same words in our booklets. The kids are so excited that they can read the words! Be sure to have your child read his/her booklet to you when it comes home on Fridays! ☺

## Birthdays

May Birthdays:  
Tyler – May 4  
Noah – May 9
