## Upcoming Events

Monday, May 30	Memorial Day – No School
Tuesday, June 7	Field Day for PK through 3 <sup>rd</sup> grade in the afternoon
Friday, June 10	Last Day of School – 1:00 dismissal!

## End of the Year

It is hard to believe the school year is quickly coming to an end! We will be assessing your child's progress in Pre-K over the next few weeks. Your child will also be completing several pages for his/her Pre-K memory book. We are looking forward to putting these books together. It is so exciting to see how far each child has come over the past several months! We know you will enjoy and treasure it too!

Your child's end of the year report card will be mailed to you after school dismisses in June.

## Our Learning

-In Handwriting, we learned how to write lowercase h, b, and f this week.

In Phonics, we continue to work on blending sounds and segmenting words. Look for this week's words in your child's Friday Folder!

In Writing, we continue to work on labeling pictures. It is amazing to see how well the kids are hearing and recording sounds!

-In Math, we have been practicing solving addition and subtraction stories using objects, fingers, drawings, & equations.

-Our theme this week has been about how plants grow. We made a flower craft, read books about how seeds grow into plants, and practiced reading our "Watch My Garden Grow" shared reading booklets. Next week we will plant our own seeds and watch them grow!

## Specials
