Field Day

We are in need of a few parent volunteers to assist with Field Day. Mr. Oly has everything planned but he needs help running each of the events. If you are available to help on Tuesday, June 7th from 12:30-2:30, please contact him at joly@hpseagles.net or text/call 616-634-2852. (Rain date is June 8.)

Parents are welcome to come watch our class participate in all field day activities as well.

Our Learning

- In Handwriting, we have now finished learning all capital and lowercase letters. We are taking the last few weeks of school to review!
- In Phonics, we continue to work on sounding out consonant-vowel-consonant words. (This is called segmenting). Look for the words we practiced this week in your child's folder!
- In Math, we have been reviewing different ways to show numbers.
- We have been watering our grass and watching it grow! Many kids brought their grass home on Friday. If your child did not get it, Mrs. Iwema will send it home with him/her on Tuesday.
- We had a patriotic theme this week! Our Shared Reading was about Memorial Day and we painted American flags for our craft.
